It also personally helped my son go from scrawny freshman to the starting power forward on his basketball team. Related Video Shorts 0 Upload your video.

AbouttheAuthorRobPriceisafirstclasscertifiedpersonaltrainerandaf

Will you be next? I found that I was highly interested and would like to read more books about training, perhaps books more in depth so that I can learn to be a master in this field. It contains descriptions and photographs of nearly of the most effective weight training, flexibility, and abdominal exercises used by athletes worldwide.
