Individually, each --like the quote farms which have been expunged from articles -- might be acceptable. More proof he refuses to understand economic calculation. Social conservatives could live where porn was banned. I've added Taxation as a sister project. Not all processes or phenomena in life are subject to radical uncertainty: No man is perfect, and Jackson was certainly far from it. Nov 12 by Frank Shostak. It needs only to create a regular and dependable source of edition pages. It has also received little attention, from what I can tell, on Wikipedia.
