However, formatting rules can vary widely between applications and fields of interest or study. Publisher Synopsis Reviews from previous edition "The book has an encyclopaedic scope, and it will be an important reference work for researchers and others interested in the evolution of modern refugee policy. Humanitarian Icons-Ready-to-use symbols and icons. While the number of refugees has declined, the number of people displaced within the borders of their own country has dramatically risen, for example as is the case in Colombia and Sudan.
