The *One That I Want* really made me look forward to Echols' adult release, coming out next year--she's so good at creating tension and fun chemistry between characters, and does so with a sense of humor, that I'm eager to see how that'll translate to an adult audience. Damn, I have a love-hate relationship with the story on the book.

But 50 pages in, I'm pretty sure I won't change my mind. Jun 21, Becky rated it it was ok Shelves:
