Write a customer review. This is a pretty straight forward love story with a werewolf twist.

I enjoyed the romance, Cyrus and Ava had great chemistry and I thought their irreconcilable differences were well handled. For fans of the series this richly rewards a reading and you get to enjoy the tension between Bigby and Snow. And Fabletown looks good on the pages of the graphic novel. Ava Paskell's dad insists they spend the summer together in a small, strange Canadian town that seems unfriendly and backwards. There's a problem loading this menu right. Paperback pages. It does stand alone and the story is compelling.
