Dante's Numbers (Nic Costa, #7) by David Hewson

Editorial Reviews. From Booklist. It was to have been the triumphant swan song for a revered Dante's Numbers is the seventh in the Nic Costa series, David Hewson's detective novels of love and death in the Eternal City. .. I appreciated the first 7 Costa books (some better than others), but this one is a disaster in my view.

cahexeru.tk - Buy Dante's Numbers: The Seventh Costa Novel (Nic Costa Mysteries 7) book online at best prices in India on cahexeru.tk Read Dante's Numbers.

In the seventh book in the Nic Costa series, Dante's Numbers is set in Italy and then . Still in this world full of mediocre crime novels, David Hewson's series is.

Even without lengthy introduction to the regular characters you feel connected. It was obvious to me about a few characters who were sketchy and definitely involved, but near the end Hewson throws a few plot twists at you that turns the entire story upside. All in all I would definitely recommend this, unless you want to be spoiled for the movie Vertigo from Hitchcock. The only downside of this book besides some terrible editing issues in the Dutch translation was the romantic subplot. Not nearly as good as the other books in the series. Although I definitely want to see that movie .
