The Bavarian Illuminati are considered by some to be the forerunners of the Communist and Fascist movements. The secret words were "Liberty, Equality, and Fraternity" and the secret aim was the overthrow of the French monarchy and the establishment of the republic. According to Barruel, this group of influential leaders worked together with a number of adepts who supported the conspiracy.

The Illuminati, as a whole, functioned to radicalize the movement against the throne and altar and influenced more members of the population to subscribe to their hidden principles. As a result, the principles of equality and liberty and their attacks against the monarchy were attacks against all governments and civil society.
