We are a community of young people revolutionizing schools and empowering students to take ownership of their education.

Together, we are a powerful voice for education professionals  
Voice, your independent union that champions the rights of  
education professionals.

'Student voice' is the individual and collective perspective  
and actions of students within the context of learning and  
education. Not only can it.

Engaging student voice is a primary objective of service  
learning, which commonly seeks to entwine classroom learning.

Student voice truly takes off when teachers and students  
engage in VOICE EDUCATION dialogue about real and important  
issues, and then actively partner in leading VOICE EDUCATION  
way forward. Provincial governments and Ministries of  
Education across Canada are also getting on board with student  
engagement and student voice. If students are to be thoughtful  
stakeholders in improving teaching and learning, they need  
adult mentors and adult listeners.
