Our ancestors had infinite wisdom and knowledge, encouraging us to become one with nature. Indigenous and earth-emergent societies worldwide practice Ancestor Veneration with altars, ceremonies, processions, celebrations, offerings and elaborate burial grounds. At the root of Indigenous community, the priority to care for and protect the land is for the Web of all Life and the Seven Generations yet to come. The conditioning and domestication we have received over millennia has trained us to write these things out in a journal and contemplate. Eurocentric dominance, white supremacy, racism, ethnic cleansing, genocide, slavery, land theft, imposed treaties, broken promises, relocation, forced assimilation, government manipulation, corporate control, psychic violence and all the associated forms of oppression that continue to impact Indigenous people and POC in the Americas are identified, confronted, called out, and resisted. The ritual is designed to help us clear any obstacles so that we may attain a more harmonious relationship with the earth. In the flowering of first-wave feminism, we were dominated by the patriarchy for millennia. Oshun is one of the most popular and my personal favorite Orisha of the Yoruba tradition as she

governs love and all of the sweet bodies of freshwater.
