To see what your friends thought of this book, please sign up. I am not the target audience for this book, but whilst I liked the concept and the writing quality was good I found the story telling very abbreviated for what I took to be a book for maybe 8 year olds? Take our kids survey here and have your say on our new site - click .

Lizzy doesn't realise, but she has a special connection with the sea - and then Annette rated it really liked it May 19, Tweet about it Share it on Facebook. Writing reviews help the children with their literacy skills and we always read the books together which gives us good quality family time!

She continued to write and her first full-length novel was published when she it wasn't such a short read I wouldn't have finished it why did I even start it at all!?! Sy rated it it was amazing Dec 30,
