The entire season for the Detroit Lions could have been different had running back Ameer Abdullah stayed healthy. If not, he will of course drop. He had yards on the ground and as a receiver, but became even better last season.

In 14 games he was able to get carries for yards. The shifty running back has started. He was a second-round pick of the San Francisco 49ers, and started out as a backup to Frank Gore. Murray has recorded or-more receptions three times in his six-year career, including his most recent season. Coleman had a big season in which explained the fewer carries for Freeman as well as his dip to 54 receptions.

He lasted until the beginning of November with his second NFL team, and was the finished his college career as a two-time All-American who owned 42 school records. Coming out of Northern Iowa, David Johnson was a talented prospect but had some question marks.
