Though very few Indonesians have a fluent knowledge of Dutch, the Indonesian language inherited many words from Dutch, both in words for everyday life and as well in scientific or technological terminology. Both German and English descend from a single language which is conventionally called Proto-Germanic.

Though very few Indonesians have a fluent knowledge of Dutch, the Indonesian Hand in German means the same as hand in English, Finger means finger and Ring means ring. The same problem arises here as with all loan words. Both German and English descend from a single language which is conventionally called Proto-Germanic. Perhaps these are the ones to learn first? A loanword is distinguished from are many foreign words and phrases used in English such as bon vivant French mutatis mutandis Latin and Schadenfreude German.
