Industry people want to hear about new music from trusted sources – buddies, social media, their favourite radio station. This is a trust-your-judgement scenario though as not all posters printed will be hung.

A day in the life... Life for a working musician is getting harder. Many of your favourite bands have done this without you probably even knowing it. There are so many bands that need an extra push, and the most focused ones will be the ones awarded with such opportunities. You see it all the time - bands tour with bands from the same label, bands choose their buddies to open for them, or agents put their own roster up for support before accepting submissions from other outside artists. However, the visa waiver is not valid if you are getting paid in Japan. Everyone in our band is a music fan first and foremost.
