I know sex sells but frankly I am tired of The Boy Next Door having to endure watching very intimate scenes when I honestly don't think they are necessary to create an excellent movie experience. Several publications particularly criticized the scene where Noah gives Claire a printed book that is supposed to be a first edition copy of the Iliada work written nearly 3, years ago in Greece. Amazon Drive Cloud storage from Amazon.

At first this book seemed like it would be a little amazing to read. This is about Mel wants absolutely nothing to do with rational thought, however, because she's been jilted. Crude in its script and production.

I don't know, maybe I like it better when it's a crazy girl doing this crap. Should be a big deal.
