One of my all-time faves. What Men Know about Success that Women Jun 06, Charlotte rated it really liked it.
I read this book many years ago when I needed to get a better handle on my own prof
Pass me tissues someone, please? They can have bad manners.
Goodreads helps you keep track of books you want to read. Women bring many inherent traits to the workplace that can provide them with a potential advantage over men, such as a woman's ability to form relationships, or her intuition. Published 10 months ago.
