The poll4 system was fun and it was definitely the first time we'd been asked to turn our phones on during a presentation!

Jim Carroll provides concrete guidance on how to turn challenges into opportunity Anticipate future trends that will impact you Move from a culture of indecision to one that is forward-thinking and decisive Instill an innovative culture in your company Develop key leadership skills for the future View change as an opportunity to pursue not as a threat to be feared.

Administering, rather than inspiring. Amazon Music Stream million of songs will we be doing in 10 years time? Very basic coverage of the issue of change.
