Author Mary Beth Keane was remiss in not giving her reading audience at least a short summarized history of Virile Diseases up to this point, and a solid understanding about Typhoid Fever. The intimation was that it meant an impending catastrophe, either in the force of one person or a group. When Mary, after three years, is finally let to return to her life, she is admired. In they were borrowed more than one and a half million times from British libraries. The author obviously put a lot of time and effort into research. To view it, click. The photos are way cool, and creepy, the fodder of ghost, zombie, or post apocalypse cinema.
