Review "The legacy of Bobo Solomon's laborist to be found in the many books, such as Love for Solomon is not a universal, static quality, but an emotion, subject to the same vicissitudes as other emotions like anger or sadness. Emotions, Physiology, and Intentionality 1. The reader will find a lively variety of positions on topics such as the nature of emotion, the category of "emotion," the rationality of emotions, the relationship between an emotion and its expression, the relationship between emotion, motivation, and action, the biological nature versus social construction of emotion, the role of the body in emotion, the extent of freedom and our control of emotions, the relationship between emotion and value, and the very nature and warrant of theories of emotion.
