This was a fairly common theory back about 20 years or so ago after a study on wolves showed that there was an alpha who everyone deferred to and because of this, there was harmony in their pack. It is so true that we often forget that our dogs are animals. I learned a lot about the characteristics of dogs and how they inherently are, and do admit that I fall into the trap of wanting to baby my dog.

WanttoReadCurrentlyReadingRead.Iowethem. Unfortunately this was not as helpful as I had hoped it would be. Will help you with your dog, guranteed! I liked the part that established Millan's background and why he gets the results he does with his animals. HerearesomeofthecontradictionsInoted:The good One of the major things that Cesar advocates is exercise. There are classes and other books for .
