I had thought all along that the majority were indifferent to politics and simply resigned themselves to a new regime, but it seems that many amongst the populace were actually active supporters, if not participants, in the "revolution". Instead, people starved in the millions and some families ate their own children rather than leave everyone to starve. He raised some interesting moral questions about what one would do in a similar situation.

I'mgoingtohavetogobacktoWorldWarIIjusttocheermyselfup. Living in China was like living in a fast-forwarded Wheel of Fate. Liao brings us fascinating insights into the lives of all manner of workers....

Thesestoriesareseldomtold,andLiaotreatstheintervieweeswithempathy writes about a life he knows, having been a political prisoner, street musician, and man on the run for many years. The reasons for the lantern and the bell are explained in the book.
