Winter and Jean-Louis Robert, I: Le soldat inconnu vivant. In a vivid and often cynical prose, Barthas tells a war story that resonated with many veterans and their descendants. In this particular urban context, the indisputable success of national mobilization is understated and construed through the lens of class and local identities, Crassous' undeniable patriotism largely eschewed the language of nationalism. You accept the license if you copy, modify or distribute the work in a way requiring permission under copyright law. The material deprivations soon added to the military losses to foster a growth from onwards, tensions surfaced and incidents broke out between the Belgians and their hosts. The challenge they so dramatically issued to the military authorities underlines the problematic nature of the articulation between local and national identity in France at the turn of the twentieth

century.
