The Act provides critical economic benefits for Native American cultural development by recognizing that forgery and fraudulent Indian arts and crafts diminish the livelihood of Native American artists and craftspeople by lowering both market prices and standards. Hundreds of different masks have been recorded, often associated with particular songs and ceremonies. Thousands of American Indian painters have been recorded in history.

His later work became more abstract and modern in style.
Respected traders, such as Mark Winter of Todlena Trading Post, contribute greatly to the development of Indian textiles by encouraging weavers to create the finest woven tapestries over a hundred stitches per inch. Collecting Authentic Indian Arts and Crafts contains not only solid information on the dynamic history and process of Native art, but suggestions to help you become a better collector.
