Arbitration Law of Austria: Savage This famous treatise is becoming outdated, but it is nevertheless frequently relied upon in the field of international arbitration, and it was formerly the leading book on the subject. It describes what parties and arbitrators do, how arbitration is conducted, and the principles pertaining to the arbitration agreement, the formation, role and functions of the arbitration tribunal, and the importance and effect of the arbitration award. It is useful for anyone involved in a SIAC arbitration. It is useful for anyone involved in a SIAC arbitration. A to Z Name: We will never give your email address to any third party. This book is a helpful resource for both practitioners and academics involved in international commercial arbitration, but it is useful concerning international commercial arbitration proceedings involving Asian countries, and it is well-researched and up-to-date.
