### **Value of the Month | Middleton Primary School**

Your life is the most valuable thing that you have. It is vital to care for your embodiment as well as your mind. That's how I see the value of life. Recent data indicates that only 5% of drivers pay less than \$50 a month for car insurance .

We have chosen a value of the month for each month, we hope that you will find friends are vitally important to our mental health and to the quality of our lives.

Make life energy visible (create a wall or online chart plotting monthly income and expenses); Value your life energy - minimize spending.

When I first calculated these numbers I was surprised. Within 15 minutes, Part I will help you develop a reasonable estimate of what your time is worth and you'll be able to make more informed decisions because of it. We learnt songs about hope and read stories where the moral of the story was to never give up hope.

The first step is to measure the total amount of time you invest to earn money, r  
For example, consider an author who also does speaking engagements. When I first started at Buffer, I had the absolutely backwards idea that I hoped to never be involved in a 5 Whys because it would mean that I had probably messed something up pretty bad and would be in big trouble. In fact, your name is never attached to any idea at all, so it can be freely adapted, expanded or improved upon by anyone!  
Another amazing post by Team Buffer...so amazing, in fact - I took the liberty to
