It got rather tedious towards the end, I'll be honest. It is strikingly well written.

Washington's autobiography, "Up from Slavery": He sought to teach them at the church, and had outraged their deepest feelings. Apparently, Du Bois modified these views somewhat later in his life. In choosing his chapter epigraphs, two come from "Mrs. Julia A. Du Bois": "I'd hope that I'd culled the last of those from my literary contact list, but they just keep on popping up every time they think they can use people as metaphors without normalizing said people's murders. Du Bois is a professional bloviator.
